**Gary Zukav** —author of the legendary #1 New York Times bestseller *The Seat of the Soul* and The American Book Award-winning *The Dancing Wu Li Masters: An Overview of the New Physics*— joins **Linda Francis**, also a New York Times Bestselling author, to merge the concepts in two of the twentieth century's most influential texts on science and spirit in a remarkable event. They warmly invite you to reach into new territory through exploring the deeper connections between consciousness and reality.

This experiential workshop helps you make the critical connections between consciousness, personal experiences, and the soul by using the concepts of quantum physics as metaphors that allow you to apply what you learn long after the workshop is over. It is a rare opportunity to use the revolutionary insights of quantum physics to illuminate your experiences and change them for the better using easy-to-understand language and practical, grounded exercises that apply directly to your life. This workshop has been long-awaited by individuals who are interested in merging science and spirit, as well as those who are interested in spiritual growth and creating meaningful lives.

## Release of Liability and Indemnity Agreement

I understand that in consideration of Soul Views, LLC, dba the Seat of the Soul Institute (the "Institute") providing services related to one or more of the Institute's programs, seminars or online courses (collectively, the "Programs"), in which I have decided to participate, hereby agree on behalf of myself, my spouse, my heirs, my insurers, my successors and my assigns to release, hold harmless, and indemnify the Institute, its owners, affiliates, agents, officers, directors, trustees, advisors, employees, contractors, members, insurers, successors, and assigns (collectively, "Institute and its Agents") from any claims, liabilities, losses, demands, damages, causes of action, or costs including without limitation attorneys fees (collectively, "Claims") arising in part out of or in connection with my attendance at or participation in the Programs, even though the Claims may arise out of the negligent acts or omissions on the part of the Institute and its Agents. The Institute and its Agents includes, without limitation, Gary Zukav and Linda Francis. I further hereby agree on behalf of myself, my spouse, my heirs, my insurers, my successors and my assigns to assume all risks of my participation in the Programs.

I understand that portions of the Programs may include moderate physical activity. I hereby represent that I have no physical condition(s) which would preclude me from participating in such physical activity, and I agree that I will not participate in any physical activity which might exceed my personal limitations. If I am currently seeing a health care professional, I hereby represent and warrant either (1) that I have discussed my participation in the Programs with my health care professional(s) and my health care professional(s) have approved my participation in the Programs, or (2) I have knowingly and voluntarily decided to participate in the Programs without having first obtained the approval of my health care professional(s). I understand that I am responsible for my own physical well-being throughout the Programs.

In addition, I understand that I might find the Programs to be very emotional at times. If I am currently counseling with a therapist, I hereby represent and warrant either (1) that I have discussed my participation in the Programs with the therapist and the therapist has approved my participation in the Programs, or (2) I have knowingly and voluntarily decided to participate in the Programs without having first obtained my therapist's approval. I understand that I am responsible for my own emotional well-being throughout the Programs.

I understand that the release contained herein is a general release of claims not now known to me. I further understand that I may in the future discover facts or Claims resulting from my participation in the Programs. Despite that possibility, I hereby agree to give up all Claims as provided in this Release of Liability and Indemnity Agreement ("Release") and I also agree to waive the benefits and rights given by any statute or other law that might limit this Release.

I also understand and agree that the Institute may terminate my participation in any of the Programs at any time without notice with or without cause. In addition to the releases and waivers herein, I expressly waive any contractual right to damages that I may have.

I agree that this Release shall be interpreted under the laws of the State of Oregon. The courts of the State of Oregon shall have exclusive jurisdiction and venue over any dispute arising under the terms of this Release or related to my attendance at the Programs.
